

Steve Tom

Programmer
UI/UX Designer

PROFILE

I am Steve Tom, an applied Computer Science student at Chuka University with a passion for UI/UX design, web development, and programming. As a self-taught UI/UX designer, I have gained experience in creating user-friendly and visually appealing designs. I am also proficient in web design and development, with skills in HTML, CSS, and JavaScript. My programming skills include Java and algorithm design. Additionally, I am continually studying new trends in programming to better my skills in JavaScript and PHP. I am a dedicated and motivated individual, eager to apply my skills and knowledge to solve problems and create solutions.
